Establishment Agreement
School of Renewable Natural Resources Hall of Fame

Note: This document supersedes the Agreement established on April 2, 2007.

Throughout the great history of the Louisiana State University School of Renewable Natural Resources, numerous individuals have made significant contributions to further the mission of the School. As such, the Forestry, Wildlife and Fisheries Alumni Association at Louisiana State University seeks to honor these individuals by offering a mechanism for recognition into the newly created School of Renewable Natural Resources Hall of Fame. These individuals shall include former faculty, directors, alumni, and other significant supporters of the School. This document describes the process by which individuals may be considered for membership into the School of Renewable Natural Resources Hall of Fame.

Nominations can be offered by any member of the Forestry, Wildlife and Fisheries Alumni Association at Louisiana State University in good standing. Nominations shall consist of the name of the nominator, the nominee, and a 300- 500-word document that details the outstanding contributions of the nominee. Meritorious contributions may include outstanding service to his/her profession of natural resources, interest in and service to the School of Renewable Natural Resources and/or the Forestry, Wildlife and Fisheries Alumni Association at Louisiana State University, and outstanding civic work.

All nominations must be submitted to the Executive Council of the Forestry, Wildlife and Fisheries Alumni Association at Louisiana State University which shall review the nominations. The nomination must be received by March 1 to guarantee that it will be acted upon prior to the annual meeting of the Alumni Association of the same year. The Executive Council will act upon the nomination and submit them to Association members in good standing for a vote prior to the annual fall meeting.

Inductees to the Hall of Fame shall be officially recognized at the annual meeting of the Forestry, Wildlife and Fisheries Alumni Association at Louisiana State University each fall at Homecoming.

All costs for the Hall of Fame shall be borne by the Forestry, Wildlife and Fisheries Alumni Association at Louisiana State University.

The Hall of Fame will be located in a prominent area of the Renewable Natural Resources Building. The School of Renewable Natural Resources will provide the labor to establish and maintain the Hall of Fame.

The Hall of Fame can only be dissolved by action of the Alumni Council. The process to dissolve the Hall of Fame is as follows. A member in good standing of the Forestry, Wildlife and Fisheries Alumni Association must submit a signed request to the President of the Association. The Alumni Council will then act upon the request and publicly disclose the formal request and the Council's decision.

Accepted.
