ADDENDUM: 2008 THROUGH 2011

Alphabetical List of LSU School of Renewable Natural Resources Graduates 1926-2008
Prepared by Dr. Paul Y. Burns, Prof. Emeritus, School of RNR, Dec. 26, 2008

Shows year of graduation, name of the degree granted, and academic major within the degree.

This list is the first of two lists I prepared of RNR graduates 1926-2008. This list is alphabetical, by surname, beginning with Abdul Rahman, Ridzwan Bin. 1977 BSF. The second list contains the same names as the first, but the second-list arrangement of names is chronological, year by year, beginning with 1926 and ending with 2008; within the year, the names are arranged alphabetically.

Codes used for degrees:
BSF or BSfor = Bachelor of Science in Forestry
BSwf = Bachelor of Science, major in wildlife & fisheries
BSwd sc & ut = Bachelor of Science, major in wood science and utilization
BSnre or BSnrem = Bachelor of Science, major in natural resource ecology & management
MFor MSfor = Master of Forestry
MSGM = Master of Science in Game Management
MSfi = Master of Science, major in fisheries
MSfo = Master of Science, major in forestry
MSfo & ent = Master of Science, majors in forestry and entomology (only one granted, 1927)
MSfpt = Master of Science, major in forest products technology
MSwi = Master of Science, major in wildlife
PhDfo = Doctor of Philosophy, major in forestry
PhDwfs = Doctor of Philosophy, major in wildlife and fisheries science.

Names of students used: I used the name of the student at the time of graduation. Where it was known, the full name of the student is shown. Where it was known, the full name is shown. In a few cases, the student apparently used an initial to stand for one of his or her names, and I did not find a record of what the initial stood for. Students who earned more than one degree in the School are listed on a separate line for each degree awarded.

Criterion for listing: All students who majored in a subject offered in the School and were awarded the degree during the period 1926 through 2008 are listed. There is one exception: The late R. Vance Miles, Jr. did not complete his BSF degree in 1932 as scheduled, but he was a leader in forest industry and an active supporter of the School throughout his life, so he continues to be listed as an alumnus. The School faculty did not discover that he had not received his degree until the mid 1970s.

Number of degrees granted 1926-2008: Grand total 3,048, including 2,025 bachelor degrees, 895 master degrees, and 128 doctorates.

Addendum to list: 2009 – 2011 prepared in 2012 by Mary Bowen, Research Associate and webmaster of the RNR website (http://www.rnr.lsu.edu)

Source of information: Dr. Burns used a master list of graduates in the main office of the School. The list begins with 1926. For each commencement, in recent years three each year, each graduate on the School's list is herein listed by name (surname first, and including full names if known, initial used if name is unknown) and degree earned, with major. In the list presented below, the particular commencement (in recent years May, August, or December) within the year when the degree was awarded is not identified.

Number of degrees granted 1926-2008: Grand total 3,048, including 2,025 bachelor degrees, 895 master degrees, and 128 doctorates.
Number of degrees granted 2008 - 2011: including 57 bachelor degrees, 28 master degrees, and 8 doctorates, for a total of 93 degrees.

Grand total for the years 1926 through 2011 is 3,141
